MANAGEMENT COMMITTEE MEETINGS – More informal catch-up re. on-going projects, sign-off on items, funding and new projects to put forward. To include Clare, Josh, Katie, Jess, Andrew, Derek, Chris, Malcolm, Juliet, John, Debbie and. No agenda or minutes.

The first Thursday of every month 5.30pm – 7.30pm at Beer Revolution. Not essential that everyone attends each one or even for the full two hours, I will coordinate all months apart from June, July and August, Katie/Josh/Andrew can coordinate those months if that's cool with them? In the lead up to each meeting we can decide if it's absolutely necessary and if not we can cancel. The idea being that they are 'working' meetings, to present what we've each been working on, make decisions and move things forward. Other members know that the meetings are happening and that they are 'open' for members to pop in if there's something they wish to discuss/present/talk about.
